PILOT

18.03.2027
09:00–20:00

19.03.2027
09:00–12:00

Please make yourself available on these dates.

We challenge existing formats in society, art, and art education and change them. That is why our admissions procedure centres on the active process of getting to know each other.

We invite you to realise a contribution to our PILOT. This means you will meet students, lecturers and your fellow applicants and immerse yourself in the K++V experience — much like a student. We spend time together, share our interests and goals, and tackle new concepts, content and techniques together. Together, we can be bold!

You decide what you do and what you need to do it. With the PILOT, we provide a framework for you to realise your contribution. But we also provide support in the process. Anything goes: from the exhibition to the guided tour to the concert, performance, intervention, film screening, cooking group, city hike to the more standard discussion of your portfolio, the possibilities are endless!

The PILOT takes place on the HSLU's Viscosistadt Campus, at Bau 745. We will set up the festival on Thursday, 18th March 2027 from 09:00 to 15:00. It starts immediately afterwards at 15:00 and concludes at 20:00. On Friday, 19th March 2027 you will be given feedback on your contribution in discussions with students and lecturers.

Would you like to learn more about us? Come visit us at the All Inclusive Festival (AIF) from 26 to 28 January 2027. You can also find a video documentation of the AIF 2024 on our website.

After your notification e-mail confirming your place in the admissions process, you will get an invitation with details on the preparation for and programme of the admission day.

If you have any questions about the study programme or the PILOT, contact us, the heads of programme. We will be happy to provide all the information you need in-person on campus or over the phone.
