

## Admission process 2025

### Bachelor of Arts in Product- and Industrial Design with Specialisation in Spatial Design

**Application  
deadline:  
16.02.2025**

Later applications will be  
considered if places are  
still available.

In order to participate in the admission procedure, please register here by 16th February 2025: [Link](#)

There is a registration fee of CHF 200.00, which must be paid before the registration is completed.

The admissions process is essentially the same for both the full-time and part-time track. Candidates wishing to study part-time track should elaborate on their choice of track in the motivation letter.

## Part 1

### Digital Portfolio

### Submission of digital portfolio, homework assignments, attachments

The digital portfolio should contain selected works compiled in a PDF file that highlights the applicant's personal areas of interest as well as their artistic-creative skills and development. Each work must be presented through one or several images (photos, scans of sketches, drawings, photos of models, etc.) and context provided for them (medium, representation technique, name of author, and in case of collaborations, the names of the people involved and scope of the applicant's contribution). Text-based descriptions may be included in the documentation if it helps to convey the works' meaning. It is also possible to include a link to a project in the PDF file, if it the project available as an interactive website or online video (no download links to Dropbox or similar platforms, please). It is the applicant's responsibility to ensure the technical features of their submission work as intended. Submissions that do not work on the first try will not be considered.

### Homework assignment

The artistic assignment will be published online on **21st February 2025**. You will receive the link to the assignment and details on how to upload your documents by e-mail after the application deadline.

### Attachments

Please upload these documents along with the submission:

- CV with photo and chronological list of degrees and certificates (tertiary and continuing education), employment history and language skills
- Ein Motivational letter in German or English (details to follow with the artistic task)  
For those applying for the part-time track: Motivation for wanting to study part time.

**Submission of  
documents:  
17.03.2025  
(from 09.00)  
to  
20.03.2025  
(17.00)**

When compiling your portfolio, make sure to showcase your creative skills around spaces and spatial contexts, your design and visual affinity and technical skills (sketching, collages, photography, model building, etc.).

Your application documents must include:

- Your portfolio (PDF)
- Your homework assignment (PDF)
- Attachments (PDF)

**Notification of decision on Part 1: until 16.04.2025**
