## About >>venture>>

>>venture>> is Switzerland's leading early-stage startup competition, designed to help aspiring founders turn their ideas into successful businesses.

The competition offers over CHF 500,000 in non-dilutive funding, personalized coaching, and national visibility across six verticals:

- Business & Finance
- Pharma & Biotech
- Medtech & Healthcare
- Industrials & Engineering
- Consumer Solutions
- Social & Environmental Impact

To qualify, applicants must present an innovative idea, be based in Switzerland, and be at an early stage of development.

**More information about >>venture>>:**

## This event is open to everyone!

Whether you want to apply for the >>venture>> Program, practice your pitching skills, or receive expert feedback in a supportive environment – Pitch Night gives you the perfect opportunity to grow and learn.
