Overview of fees

BSc in International IT Management — Start fall semester 2025

The fees are based on the corresponding regulation of the Lucerne University of Applied Sciences and Arts[1]. Please note that fees may be subject to change and that non-fee figures should be taken as approximations only.

- Admission fees are invoiced directly after registration and cannot be refunded in case of an application withdrawal or a rejection of the application for admission by the university.
- Tuition fees per semester must be paid in full by all students who are registered at the beginning of the semester concerned. These fees must also be paid in the event of de-registration after the start of the semester (even if no courses were attended).

[1] Regulations on Tuition Fees: Verordnung über die Gebühren an der Hochschule Luzern, FH Zentralschweiz (Gebührenverordnung) of 14 December 2012 (SRL Nr. 520e); Ordinance on Administrative Fees: Weisung betreffend die administrativen Gebühren der Hochschule Luzern, FH Zentralschweiz (Gebührenweisung) of 3 June 2014.

[2] In addition to the federal government, the cantons also contribute to tuition fees through the so-called FHV contributions. However, they do not pay any contributions for foreign students who come to Switzerland to study. As a result, from autumn 2025, students who are domiciled abroad under civil law at the time of enrolment will pay CHF 500 more per semester than Swiss students, i.e. CHF 1,300 instead of CHF 800. This will apply for the entire duration of their studies.

[3] Students wishing to study at a partner university with which HSLU has a fee-paying agreement maybe have to pay higher fees which will be published on the Portfolio Website. Students who wish to spend a semester abroad as a freemover must pay the fees directly to the chosen University.

[4] This fee does not have to be paid during the semesters abroad.

[5] Fees are also due during semesters abroad.
