

Intelligente Prozessbeschleunigung bedingt neue Sicherheitsarchitekturen

Die Integration zweier Welten:
Lokale Arztpraxis & medizinische Cloud

Hannes Boesch, CEO Arpage AG

Bereich für Fachpersonen

The screenshot shows the 'Für die Fachpersonen' tab selected. At the top, there's a banner for the 'Fachkampagne' with a call-to-action button 'Mehr nach Ihrem Login!'. Below the banner, there's a large image showing a smartphone displaying the digital vaccination certificate. The main content area features a slide show with various images related to vaccination and health.

Bereich für Patienten / Bürger

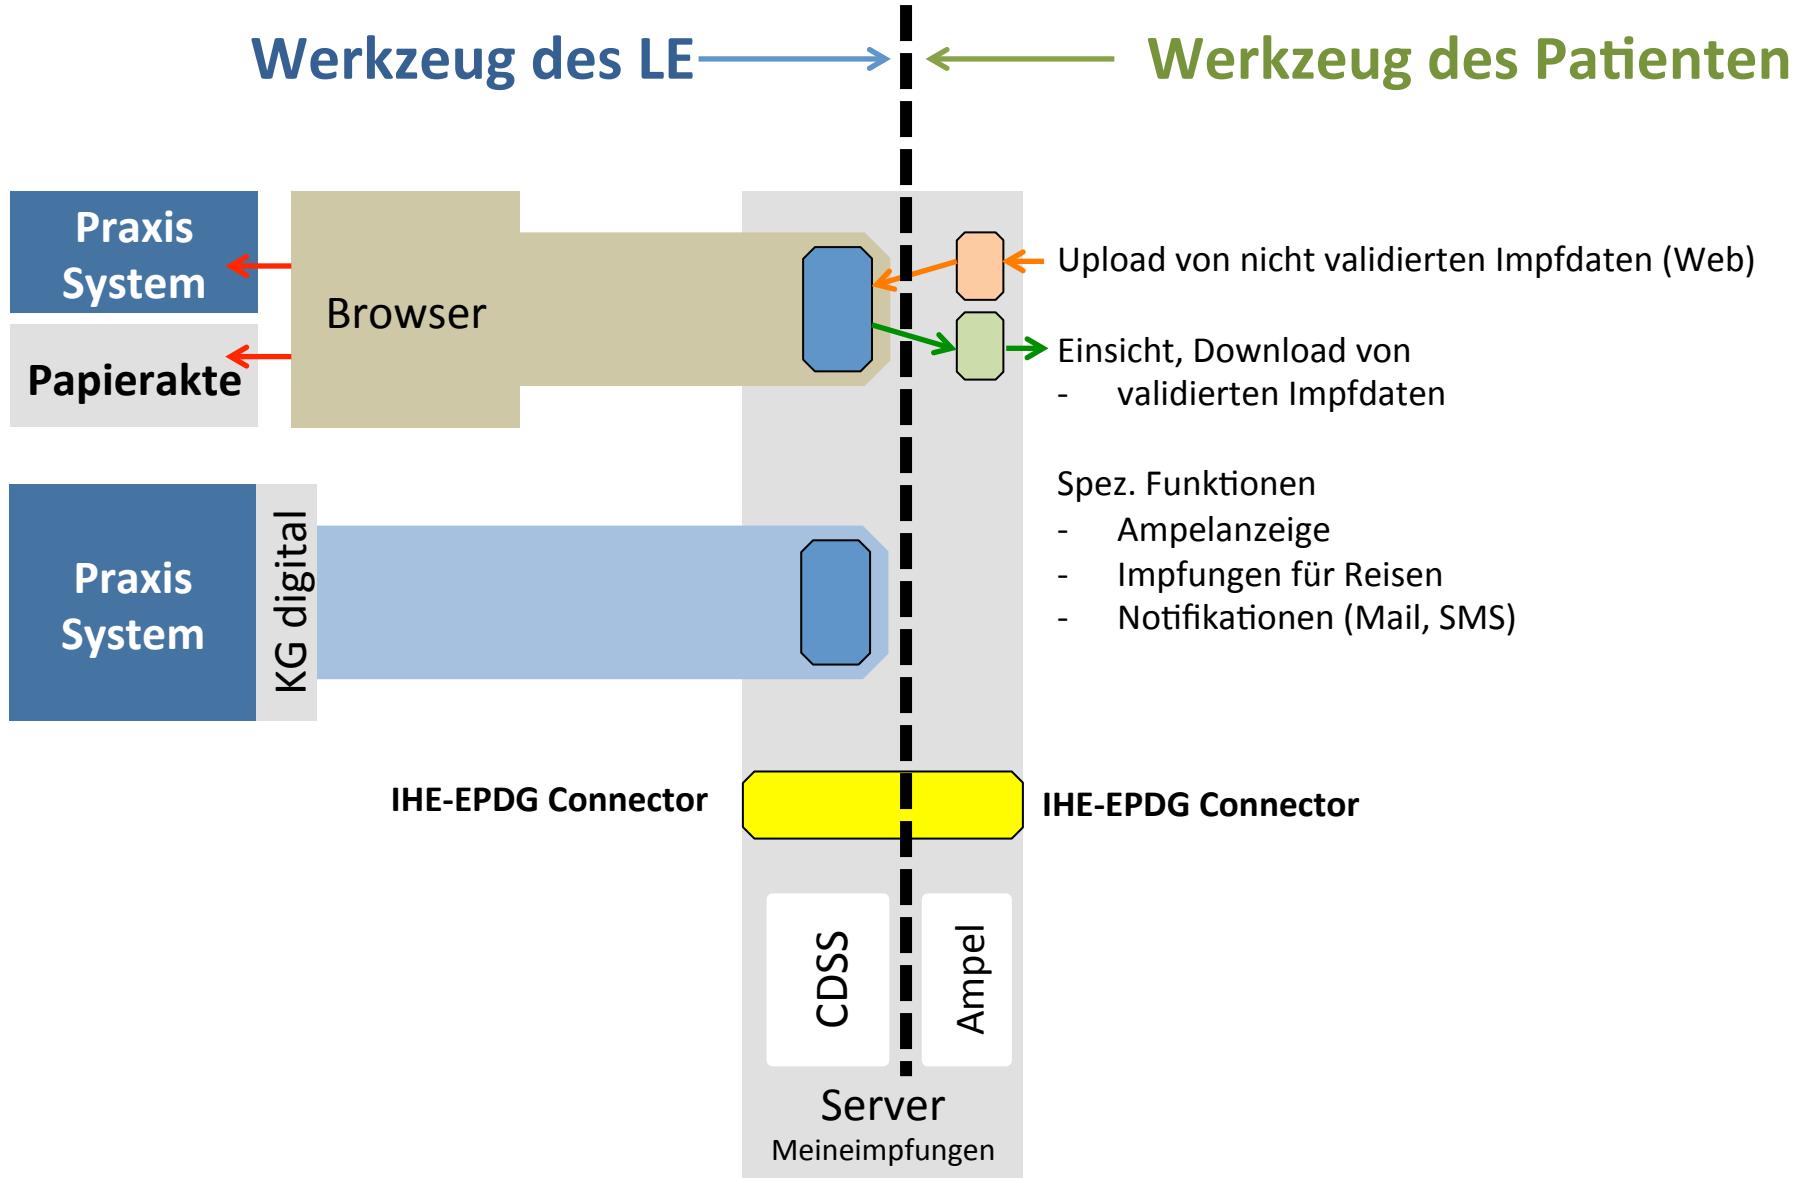

The screenshot shows the 'Für Alle' tab selected. It features a banner celebrating 'Einhunderttausend Dossiers!' and 'Eine Million gesicherte Impfungen!!' with a call-to-action button 'Kostenlos registrieren!'. Below the banner, there's a large image of a group of diverse people cheering and waving. The main content area features a slide show with various images related to vaccination and health.
