How to apply

Applications should be sent by regular post (not e-mail) and are only accepted sent by ERASMUS coordinators (not by students). Dossiers should include:

1. Official AEC application form
2. Official AEC learning agreement
3. Transcript of records with information on subjects and ECTS credits of previous and current studies
4. Letter of motivation
5. CD's and DVD's have to be provided as follows:

Profile of Conducting: A DVD with one long or several short sequences is requested. At the behest of the teacher students might be invited to an audition in Lucerne.

Profile of Classic: CD with information on when and where recordings were. 4 – 5 pieces of different epochs/styles.

Profile of Jazz: CD with information on when and where recordings were made and how they were recorded (live, studio, (semi) professional etc.). Pieces as follows:

- at least two Jazz standards (bass and drums with solo part)
- at least two recordings of pieces which were played in projects others than at school (as bandleader, sideman etc.), no stylistic specifications
- one solo piece

6. Copy of passport

Please note

- Be aware that costs in Switzerland are relatively high. Students are asked to check their financial situation before applying.
- Students are expected to stay in Lucerne fulltime during their exchange. The Hochschule Luzern – Musik doesn't support applications from students who'd like to be present only few and a far between.
