| English Module Program on Bachelor Level                        | Experience a unique opportunity to enhance your perspective on social work by enrolling for the programme " <a href="#">International Perspectives and local Practices in Social Work</a> ". Spend an English-taught semester at the HSLU School of Social Work and connect with international students and faculty. You will also have the opportunity to gain practical experience with local organizations in Lucerne. |
| Master Program                                                  | <a href="#">Information about the Master's Program</a>                                                                                                                                                                                                                                                                                                                                                                    |
| Summer School on Interdisciplinary urban and community planning | If an entire semester seems too long, you might be interested in the Summer School on interdisciplinary urban and community Planning. This Summer School is offered as a Blended Intensive Program (BIP). Students from our partner schools receive financial support for their travel and stay in Switzerland for this one-week program in calendar week 27.                                                             |

| <b>Further Information</b> |                                                                                                                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Grading System             | A-F (A-E grades indicate sufficient performance (Note 6-4); FX and F grades indicate insufficient performance (Note 4-1))                                                                                          |
| Full time Study Load       | max. 30 ECTS per Semester                                                                                                                                                                                          |
| Language Requirements      | Non-native German speakers are required to have attained a German level of C1 according to the Common European Framework of Reference for Languages (e.g. IELTS 6.5/7).                                            |
| Course Registration        | The Exchange Programme Coordinator of the Lucerne University of Applied Sciences and Arts will do the course registration for you according to your predefined learning agreement.                                 |
| Transcript of Records      | Transcripts are generally available a few weeks after the final exams. The Exchange Programme Coordinator will send the official transcript to the student's home institution and a copy to the student by E-Mail. |
