Prof. Dr. Sabine Sulzer
Head of the Bachelor's and Master's Degree Programs

[1] Foreign students are those who enter Switzerland for the purpose of studying or who have their place of residence under civil law abroad at the time of enrolment and for whom the FHV contribution of a canton does not apply.

[2] This fee is charged six times per study program. No charge is payable when the maximum is reached. Master students do not get charged with this fee as they correspond to another order of fees.

[3] Bachelor Architecture, Bachelor Interior Architecture, Bachelor Digital Construction with Specialization in Architecture, Business Engineering | Innovation, Master Architecture, Master Collaborativ Spatial Development. The price is based on Adobe's license fees and can therefore vary from year to year.

[4] The charge is CHF 900.00 max. for Bachelor students (per study program), CHF 450.00 max. for Master students in Engineering, and CHF 600.00 max. for Master students in Architecture. No charge is payable when the maximum amount is reached.
