

CAS Tax Compliance Management for Financial Institutions

Advisory Board

The Advisory Board is formed of a group of highly qualified experts in areas relevant to the course who revise and evaluate the different topics discussed in the study program's lectures as well as propose novel ideas to enhance the course's contents and classes along with the Head of Studies. In addition, the Advisory Board guides the strategic development of the study program "Tax Compliance Management for Financial Institutions". The Advisory Board meets semi-annually.
