5. Contract conditions

We will confirm receipt of your written application dossier and a confirmation of acceptance. The Head of Programme reserves the right to require your attendance of an interview prior to confirming acceptance.

In the event that applications outnumber available places, the Head of Programme can defer individual applications. These applicants will then receive precedence for the next course. Applications will be considered in the order they are received, and consideration will also be taken of the need to maintain a balance amongst the participants. The Head of Programme's decision is final.

Once the deadline for applications has expired, the Head of Programme will decide as to its delivery. In the event of too few applications, the Head of Programme can postpone or even cancel the course. Should this occur, applicants will be informed shortly after the deadline for applications has expired. The study fee is CHF 11,800. This fee of CHF 11,800 becomes payable once it has been confirmed that the course is running.

The Head of Programme must be informed by means of registered letter of any inability to attend the course once acceptance has been confirmed or of any early termination of studies. The fees remain payable in their entirety in the event of withdrawal following confirmation that the course is running or early termination of studies.

I hereby confirm that I have completed all the forms truthfully and read the contract conditions. I am aware that the course must be attended in its entirety and that it places an additional burden on my professional and family life, as well as on my leisure time.

All information is treated with complete confidentiality.
