

Campus Lucerne Hotel list 2025

Dear Sir or Madam

As part of a co-operation between the Lucerne University of Applied Sciences and Arts, the Lucerne University of Teacher Education and the University of Lucerne (Campus Lucerne), students, staff and guests of these three institutions can benefit from discounted accommodation rates in selected hotels in the Canton of Lucerne and Zug. The hotels that have special corporate rates for the Lucerne Campus are listed in this dossier in ascending order according to their star rating.

The rates are exclusively for employees, students and guests of the above mentioned universities and may not be passed on to third parties. When booking, it is necessary to refer to the «Campus Lucerne booking» and the respective associated institution to benefit from the reduced prices.

Our common goal is to be able to negotiate even more attractive conditions in the long term by bundling overnight stays in the preferred hotels.
