

# Hotels in Lucerne 2023

Lucerne's three university level institutions – Lucerne University of Applied Sciences and Arts, University of Teacher Education Lucerne, and University of Lucerne – have jointly negotiated favourable terms with the following hotels in the cities of Lucerne and Zug (all prices in CHF).

The discounted room rates apply to the guests, employees and students of the three mentioned campus institutions; entitlement does not transfer to others. When placing a reservation, please mention that it comes under the «Lucerne Campus Booking» scheme and indicate the institution.

The aim is to place as many reservations as possible with the preferred hotels so as to be able to benefit from discounted rates.
